October 2007

Dear customers,

SMG machines are used successfully all the world over for the installation of synthetic sport surfaces by an increasing number of customers. Therefore the SMG sales team has been expanded by two qualified employees.

Ms. Mariem Mazeni and Ms. Nadine Suffa are known to many of our customers by telephone. The regular contact to our customers and accelerated order processing have already turned out to be an essential profit.

Mariem Mazeni
(extension +49 7306-96 65-11)

Assistant of Tobias Owegeser. Responsible for customer service, order processing and spare parts' service (Europe, Africa, Russia, Arabian countries).

Nadine Suffa
(extension +49 7306-96 65-14)

Assistant of Daniel Owegeser. Responsible for customer service, order processing and spare parts' service (USA, Canada, Asia, Australia, South America).

Jochen Saumweber
(extension +49 7306-96 65-17)

Team Assistant Sales. Responsible for customer service, finances and distributor service in Europe and Russia.

Our well-prepared booth team will care of you at the forthcoming FSB exhibition taking place from October, 31st to November, 2nd 2007 in Cologne.

Contact persons for all your questions and wishes are: Johann and Monika Owegeser, Markus Owegeser, Tobias Owegeser, Daniel Owegeser, Jochen Bäurle, Jochen Saumweber, Mariem Mazeni and Nadine Suffa.

As a matter of course all our foreign partners from Spain, France, Switzerland, Hungary, Turkey, Russia, China, Korea, Japan, Australia and the U.S. are represented in Cologne.

We are looking forward to seeing you at our booth.
