BollerMatic BM1000

Dear customers and visitors,

OPTIMIZED AND EXPANDED: OUR SMG BOLLERMATIC BM1000.

Multifunctional platform truck for tools with turf tires for tough construction site use.

Presented at the FSB in Cologne and customized and updated by numerous customer requests: the modular tool transporter for professional use. Everything that professionals need to be optimally equipped for every case can be on and off.

But see for yourself what exactly the innovative process technology achieves:

- Load capacity 1,000 kg (axle load 500 kg)
- Equipment individually configurable
- 4/4 drop side system with square/peglock hole pattern combination, suitable for many standard tool holders and hooks
- Removable tool box and fold-out work table
- 2 pieces 40 x 60cm Euroboxes and forklift pockets
- Lashing eyes for lashing straps and individual holders for transport security of e.g.
- 3 in 1 drawbar with shackle, trailer hitch and hand drawbar incl. hand/parking brake.

The modular platform trolley can be expanded as desired with optional accessories, such as a removable mobile workbench, vice, 16A/400V power distributor, LED spotlight + mast, umbrella holder, waste bin, tool case and much more.
